I. Introduction

Pantsuit Nation,

Over the past several months, we, the admin team, have continued to collect articles, books, movies and other resources to update this resource document to aid in education and further discussions on racism, intersectional feminism, LGBTQIA, cultural appropriation, ableism and more. We want to give our sincere thank you to Janni Lehrer, [The Astrea Foundation for Lesbian Justice](#) and you, our members for providing wonderful suggestions to add as we grow this document. If you have any additional suggestions please fill out our google form (<https://goo.gl/forms/cPGn3CpEBVcR0hUG2>) and we will be happy to review them.

We hope this resource document not only gives members information about topics in social justice, but also provide the tools needed to interrupt oppression. We have a long four years ahead and we, Pantsuit Nation, need to get comfortable being uncomfortable in order to be Stronger Together. We ask all members to read the below link about interrupting oppression and to call in our fellow members moving forward to fight and prevent these systems of oppression in our society.
